Bill Durbin to Be New Scoutmaster

Fred C. Patten Resigns from Narberth Troop

William Holmes Durbin, of 101 Woodbine Avenue, a well-known athlete and graduate of the late Narberth High school, has been appointed Scoutmaster of the Narberth Troop, succeeding Fred C. Patten.

Mr. Patten recently turned in his resignation, made necessary by the pressure of his other business, and the Troop Committee, of which Wm. C. Claghorn is chairman, secured the services of Mr. Durbin.

Mr. Patten was appointed Scoutmaster in August, 1917, and since that time has given unstintingly of his time and effort to make the local troop successful. He missed but two meetings of the troop during this entire period, despite the fact that he was compelled to carry the greater part of the burden of the troop himself. This was partially relieved by the underwriting of the headquarters, and the formation of an active Troop Committee.

The results of the Scoutmaster's interest showed themselves in the growth of the Narberth Troop to the largest, and with the best attendance of the Delaware and Montgomery County districts. Three Eagle Scouts, a reward for signal accomplishment, has been turned out.

Mr. Patten said good-bye to the troop at the meeting Monday night. He stated that it was one of the hardest tasks of his life, but that he feels the boys are in good hands. "I would not have let go of the work until they did have some one worthy to continue on with my work," he said. "I am very well pleased with my selection of the Troop Committee who have done everything to assist me in the past ten

WOMEN HEAR TALK ON VALLEY FORGE

A delightful meeting of the Women's Community Club of Narberth was held on Tuesday afternoon at the Y. M. C. A. Mrs. A. B. Ross, the president, presiding.

The first part of the meeting was turned over to the officers and chairmen of the various activities, who told their relation to their fellow-members and to their officers. The rules of the club were explained in detail and reports were given of the work already accomplished during the present club year. Mrs. Ross told of the parliamentary law class conducted by Mrs. Batchelor, which meets in the club room from one to two o'clock before each stated club meeting and urged that all those interested join. Mrs. Charles F. McKillips, who will have charge of the gymnasium and swimming class, asked that all club members who would care to join these classes give their names to her or to Mrs. W. E. Boryer, Narberth 635-J, in order that some idea might be had of the facilities needed.

The speaker of the afternoon, the Reverend Dr. Burk, gave a delightful and most instructive talk on Valley Forge and its ideals. He said that we hear much of the horrors of war and of the death and devastation it leaves in its path, but only shake our heads and say, "Too bad," when we read of the appalling number of deaths caused by the automobile; that the men who fought and died at Valley Forge were the men who had vision and ideals, who gave freedom to the world, and that these ideals of Valley Forge should be made the ideals of our nation today.

"Remember," said Dr. Burk, "that when you go to Valley Forge, you go as to a shrine; it is more than a place to visit—it is a place to inspire enthusiasm and should be a synonym of patriotism."

Mrs. William S. Horner, a club member, rendered two beautiful whistling solos, which were received with hearty applause. The meeting was then adjourned for the usual social hour of the afternoon.

THE COLD WAVE AT NARBERTH

The Co-operative Observer of the Weather Bureau reports that as a result of the cold wave that reached Narberth Saturday, Jan. 3, the lowest temperature touched 6 degrees at 2 A. M. on Jan. 6, as shown by the thermometer.

Last December was the warmest on record, the snowfall for the month only amounting to 2 inches.

Choral Society in First Rehearsal

Re-organized Body Prepares for Next Concert

On Monday night the Narberth Choral Society settled down to its first real work of the season. With exception of the bass section, all parts were well filled. The removal of Messrs. Mitchell, Shortess and Rose and others from Narberth has left a big gap to fill, but with the advent of so many new voices in town, this lack should be taken care of.

After a preliminary exercise on some of the favorite numbers of past concerts, the new director quickly set at rest the fears of some of the old standbys that they might have "reedy" voices. Each part was tested as a group and all passed. That should be encouraging to any who have had the idea that there would be a radical change of policy.

Then came the real work, and the organization was introduced to a class of music that will show another progressive step when it is produced at the April concert. There were two Spanish choral ballads—"The Silver-smith" and "The Vagabond's Song"—arranged by Kurt Schindler; Rachmaninoff's "Ave Maria"; "Love Me Truly, Shepherdess," by Lefevre, court composer to Louis XIII of France; and H. Alexander Matthews' chorus arrangement of Kipling's "Recessional." So enthusiastic were some of the members, that their suggestion that a general invitation be extended to all friends of the society, including ex-members, to visit the coming rehearsals was adopted. Prospective members are urged to come out and see what is being done, especially as new voices will be added only during the month of January, because of the short season.

At a meeting of the Board of Directors held following the rehearsal, it was decided that in view of the advance in membership fee to five dollars this year, the old initiation fee of two dollars would be waived. Even though the Choral is paying for all the music, it was felt that the added amount might be too burdensome.

The Board of Directors also elected the following to the office of Honorary Vice-Presidents: A. J. Loos, J. J. Cabrey, Nicholas D'Alonzo, Robert J. Nash, Mrs. A. B. Ross, C. Howard McCarter, Wm. D. Smedley, Hon. Fletcher W. Stites, Carl B. Metzgar, Dr. O. J. Snyder, Stewart W. McKee, Wm. S. Homer, Nicholas Thouron, and Charles E. Hires. These are in addition to Prof. Niece, who was elected last October.

ENTERTAIN COMPOSER

Mr. and Mrs. Charles W. Malotte, of 15 Narbrook Park, have been entertaining for several days their son, Mr. Albert Hay Malotte, and wife, of Buffalo. Mr. and Mrs. Malotte have recently returned from Europe, where they spent two months of their honeymoon.

Albert Hay Malotte as a boy had a most beautiful soprano voice of rare quality and could play and sing any of the soprano solos from the great oratorios with ease. He was, until the boy voice changed, the soloist of the choir of the Protestant Episcopal Church, Twenty-second and Walnut Streets, Philadelphia, and after the voice changed, assistant organist at the age of fifteen. Mr. Malotte, Jr., as a man is an organist of national reputation and a composer of prominence. Mrs. Malotte has a beautiful soprano voice, and Mrs. C. Stanleigh Malotte, the younger son, a violinist of rare ability, so the few days spent at "Shady Nook," the cozy little home of the parents, was one round of music.

Mr. Malotte's latest song, "Bring Back the Old-Fashioned Waltz Again," is one of the big "hits" of the present time. Mr. and Mrs. Malotte will live in New York for several months.

TENNIS MEETING

The next meeting of the Narberth Tennis Association will be held at the home of Mrs. William I. Kirkpatrick, 221 Essex Avenue, Friday, January 11th, at 2.30 P. M. Cards will follow the closing of the business meeting.

On Friday evening, January 18th, a card party will be given by the Auxiliary of the Narberth Tennis Association, at the Y. M. C. A. Be sure and keep that night open, as a good time will be had by all.

Gladwyne Resident Is Elected

W. A. L. Barker to Head Township Commissioners

W. A. L. Barker, of Gladwyne, was unanimously elected President of the Board of Commissioners of Lower Merion Township at the meeting of that body last Monday night. He succeeds Joseph O. Kerbaugh, who, with Major John Lewis Evans, retired from the Board at Monday's meeting.

The early part of the meeting was taken up with the completion of the work of the old board. Reports showing the work of the past year were read, showing that the Township has made distinct progress in matters of government and financing.

Following a short recess the new board was organized by the Secretary, G. C. Anderson. On motion of Henry Delaplaine, of Merion, Mr. Barker was unanimously elected to lead the new board. Mr. Barker is the oldest member of the Board in point of service. In his speech of thanks to the members, he said he would "rather be President of the Board than the Governor of Pennsylvania." He promised a fair administration, free of politics, and following the example of his friend, Mayor Kendrick, a business regime.

Mr. Anderson was unanimously chosen clerk. He has held this same position for 22 years, but, as he averred in his speech of acceptance, is very much alive still, and looking forward to service with the Commissioners.

Andrew J. McDonald, of the North Ardmore district, was unanimously elected Vice-president. Committee appointments were as follows: Finance, Sherwood, Chairman, committee of the whole. Highways, Floyd, Chairman, committee of the whole. Health and Drainage, Delaplaine, chairman. Stretch, McMoran, Sykes, Seidel and McDonald, Police and Fire. Mackey, chairman. Seidel, Sherwood, Floyd, Stretch and Hess. Building Regulations, McDonald, Chairman, Floyd, Mackey, Delaplaine, Hess and Warnock. Playground, McMoran, chairman. Sherwood, Sykes, Mackey, Gray and Warnock. President Barker is ex-officio a member of all committees.

The tax rate for 1924 was established at 12 1/4 mills, the same as last year. Final passage of the rate will be made at the next meeting of the Board, which has been fixed for Thursday night, January 24th.

DOWNES-MCCAHAN

The marriage of Miss Ruth Jane McCahan, daughter of Mr. and Mrs. Clyde George McCahan, of Muney, Indiana, to Mr. Carroll Downes, Jr., of Narberth, took place on New Year's Day in Muney.

The ceremony was performed by the Rev. Marshall M. Day in the Grace Episcopal Church. The bride was given in marriage by her father. Mr. Hugh Jameson, of New York, was best man. Mr. and Mrs. Carroll Downes, Sr., together with Mr. and Mrs. McCahan, were in the receiving line.

The bride has been prominently identified with social and musical life in Muney. She attended Penn Hall at Chambersburg, Pa., and later studied music for two years in Boston. For the past two years she has taught music in her home city.

Mr. Downes is a graduate of the Narberth High School and attended Dartmouth, the United States Naval Academy and Penn, from which he graduated. He is now president of the recently formed Downes-Flint Motor Company of Ardmore.

Re-elect Officers and Organize for New Year. Burgess Urges Protective Zoning

Council re-organized for the new year where petitions are presented to Council on Monday night, and re-elected W. C. L. with the necessary signatures to R. D. Hall President, Charles V. Noel as Councilman, continuing their former term.

Mr. Redifer waited on Burgess Carl B. Metzger, who delivered his biennial message to Council, which is printed in full later in this article.

The regular January meeting of Council was held on Wednesday night, at which time final passage of the 1924 budget and tax rate took place. After hours of work, the cutting of appropriations to nearly all departments, and the reduction of the budget to its bare essentials, the councilmen found that the expenses could not be accommodated by the 15 mill tax rate. It was therefore found necessary to add one mill to the rate.

It is believed that the School Tax will remain the same for the current year. If this is done, the total increase of taxes will be about three per cent, making an additional levy of between three and four dollars on the average Narberth home.

At Wednesday's meeting Fletcher W. Stites was re-elected Borough Solicitor, and E. P. Dold Treasurer. George B. Suplee is again Street Commissioner. The election of a building inspector goes over until next month.

New committees were announced by President Hall. They are: Finance, Redifer, chairman, Leitch and Henderson. Highways and Sewers, Wentz, chairman, Leitch and Brown. Police and Fire, Brown, chairman, Griswold and Wentz. Water, Light and Health, Leitch, chairman, Griswold and Wentz. Ordinance and Law, Henderson, Chairman, Brown and Redifer. Building, Griswold, Chairman, Henderson and Redifer.

The Building Committee is a new one this year. It will have an important function, particularly when Council tackles the zoning question which, it is felt, will soon be done.

The message of the Burgess follows: **The Burgess' Message** To the President and Members, Narberth Borough Council. Gentlemen:

Having been in such close contact with Council during the past two years, it is exceedingly difficult at this re-organization meeting to offer suggestions for the coming year that do not call for the expenditure of additional money. Knowing full well the difficulty that Council has to make its budget come within the taxes in process of collection, and how it is only possible with the greatest economy to take care of even the necessary expenses of the Borough, and to keep up the sinking funds for paying off indebtedness, will try to make my recommendations such that additional funds will not be required.

Zoning

There is a distinct demand for a zoning ordinance, not one that would apply to a city like Philadelphia, but one that will keep business houses in our present business section and not allow them to encroach on residential property in other sections of the Borough.

Narberth is decidedly a residential suburb, and the majority of its citizens come here and establish homes with the idea that they are locating in a community where their property will always be in a section of homes and when stores are located among these homes, it is not pleasing to property owners who desire the suburban life and are trying to live away from business activities.

The ordinance should also take care that rows of houses and manufacturing plants are not allowed within the Borough and avoid the unpleasant feeling Bala-Cynwyd residents have at the building of rows of houses at the present time. The location of additional public garages should be subject to the approval of Council.

Sinking Fund for Street Improvements It is suggested that an item be added to the budget, in accordance with the authority given by the Borough Code, to take care of temporary payments made contractors for street improvements, which are assessed against adjoining property on the front foot basis, in order that the unpaved streets in the Borough be improved.

Respectfully submitted, CARL B. METZGER, Chief Burgess.

TIME TO SECURE LICENSES FOR DOGS

The County Treasurer calls the attention of dog owners of Montgomery County to the dog law of 1921. All owners of dogs must have their dogs licensed between January 1 and 15.

Applications can be made to the Justices of the Peace in their respective districts, or licenses can be procured direct from the Treasurer's office in Norristown by sending the correct amount of the fee together with postage for return of the license and tag.

During the year 1923 the agents of the Department of Agriculture spent considerable time in this county and very rigidly prosecuted violators of the dog law. Many persons were arrested for failure to take out licenses for their dogs, and fines and costs amounting to a large sum were imposed. These officers will be in this county again during 1924, and in order to save this amount in fines the County Treasurer calls attention of the dog owners to the law and advises them to obtain their licenses promptly.

GARDEN NOTES

January brings the snow. Makes us off our fingers blow. Not much snow as yet along the Main Line—but more seasonable weather.

Nice evenings to sit in a warm room and count the moons till crocuses are blooming—and make plans for that garden of Nineteen Twenty-Four. Already seedsmen's catalogs are arriving to remind us that the days are really getting longer.

As to planning for the planting let us consider the utilitarian first. The house, the garage and the drives are of necessity placed. What next? A place on the lawn where clothes may be dried and perhaps bring into the house a breath of lilacs or of honey-suckle. This drying yard we must have and it may as well be located where it will not be offered to the public for inspection but where it may modestly enjoy the benefits of sun and breeze.

In the rear of the house then or perhaps to one side of the rear and screened by a border of flowering shrubs will our "lawn-dry" be. Speaking of screens reminds us of that other utilitarian feature of the garden—the vegetable garden which can be combined with the cutting-garden or that place where the flowers are grown for cutting, those that cannot be grown in the more prim and orderly part of the garden. A good place for dahlias, gladioli in quantity and annuals, such as sweet peas and asters that are beautiful when cut, but hard to place for garden effect.

With these two essentials taken care of the rest of the plot may be planned for effect. An arbor leading in to the vegetable and cutting garden, twined with pillar roses on either side and a hedge of evergreens, hemlock or cedar. This hedge could also serve as a background for the perennial border.

But right here let us resolve to keep to the time-tried rules of landscaping, these three will keep us straight.

First—Preserve the open lawn. Don't cut it up with beds, plant the borders, but keep an expanse of lawn. Give the house a setting. Tie it to the ground with a foundation planting but leave the front open.

Second—Don't plant in straight lines. Nature never does. The planting must look natural. Plan the borders in waves and natural sweeps—not blocks. The vegetable and cutting garden is the exception, here the cultivator or hoe must work.

Third—Plant in masses. A dozen plants of a variety in one place gives an effect, the same dozen plants stretched over a dozen places will never cause one to stop and admire.

(New Year's Day we found some Darwin tulips, of last fall's planting, out of the ground a full half inch.)

NARBERTH WINS A CLOSE GAME FROM THE 20TH WARD CLUB

The Narberth basketball club won a close game from the 20th Ward Club, of Philadelphia, by a 14-12 score. The game was cut to one-half of playing on account of the late arrival of the visitors. "El" (Riley), of P. M. C., made his first appearance with the local boys and showed good form.

The Narberth "B" Club lost a well-played game of basketball to the 20th Ward "B" team by a 35-20 score.

This is the worst licking the locals have tasted this year. Narberth kept within striking distance of the Warders until the last 5 minutes, when the visitors hit the net for 5 straight field goals.

The visitors presented something novel in basketball when they trotted out a Chinese boy to play center for them, and the "chink" played a big part in defeating the local boys.

Next week, Friday, January 18, will be an open date on the home floor, as Narberth travels to Cooper for the last game of the first half of the Overbrook Church League. Narberth at present holds second place. The Narberth "B" team will in all probability finish the half in a tie for first place with Wharton.

METHODISTS WIN FIRST HALF

The first half of the schedule of the Inter-Church Bowling League ended on Friday night, January 5th, when the Presbyterians defeated the Baptists by winning two of the three games. The Baptists won the first game by making a whirlwind finish in the tenth frame, but by the narrow margin of three points. The Presbyterians won the other two games rather easily.

The Methodists proved themselves the class of the League and won the first half with fourteen games in the won column and a lead of four games over the Presbyterians, who stand second.

BAPTISTS DOWN METHODISTS

The second half of the Inter-Church Bowling League opened auspiciously for the Baptists on Monday evening, January 7th, when they took three games from the Methodists. They not only captured three games, but also broke all scoring records of the season. H. T. Smedley's 212 and W. D. Smedley's 199 are the highest scores made in a single game. Nicholson, with a total score of 519, and H. T. Smedley with 513, were high men for the night and also the season. Their team score was 2,262, which leads all other team scores for the season.

The remaining games of the season will be played on Monday evenings instead of Friday evenings, as several of the teams found it difficult to get their teams together on the latter evening on account of other meetings.

A basket ball team is being formed from the pupils of the Narberth Junior High School. The team has already begun practice and will play its first game next Tuesday. Great things are expected from this team as it has a good coach and good players. The following were chosen for the team but their positions are not known yet.

Jack Foster,

Robert Foote,

John Mulligan,

Bob Ross,

Charles Ligrest,

Harry Messer,

Edwin Speakman,

William Siegel,

Wallace Litchfield.

We expect to see everybody at the game to cheer the team to victory.

The girls began practicing basketball this week. They intend to play some games in the near future.

One period a month in English is devoted to book reports. Each month books covering different subjects are required. In the first three months Biography, Travel and Fiction have been discussed. The books for these various reports must be by authors of high standing. The books used were obtained from the Narberth Library and the School Library.

There was quite a crowd of spectators present at the Christmas Entertainment given at the school on the night of December 21. The attendance was so great that many late comers had to find standing room, some could not even find that.

The first day of school seemed monotonous after two weeks of vacation. Throughout the afternoon there were continual yawns.

Some of the girls had new beads and the boys were seen wearing new neckties and shirts.

PUTTING LABELS ON THE COUNTRY

Towns, Roads and Now Rivers to be Posted

"What town is this?" All tourists have asked the question hundreds of times. Progressive towns put the name of their city on signs at the city limits, just as they also put "through arrows" to guide the traveler.

"What road is this?" is asked almost as often, especially on the less traveled highways. Main traveled roads are rapidly being marked, so that the visitor from afar is not confused.

"What river is this?" is often a matter of wonder to the motorist, who passes over several branches of the same stream, alongside a lane, or over a bridge without knowing what body of water it is which he crosses or passes.

The League of American Pen Women is asking the various State Highway Commissions to place suitable markers near famous streams to inform the traveling public. It is a laudable work, but why, the traveler wants to know, stop at famous streams? Why not mark all bodies of water on or near any and all roads, so that the traveler may get better acquainted with the country through which he passes?

Municipalities find it pays to welcome the tourist, to guide him surely and quickly, to make him feel at home. The "Stop! Ten miles an hour under penalty of the law" sign is disappearing in favor of the "Our speed limit is fifteen miles an hour; please observe it, as we make you welcome" type of sign. With the latter comes the courtesy of road markers and stream labels, worthy work for any civic club to take up, that the municipality be visited with joy and remembered with pleasure.

LEAGUE OF WOMEN VOTERS

Believing that a knowledge of local history, laws, institutions, etc., and a natural concern in the operation of that division of government with which one comes in closest contact is fundamental to a better understanding of government and politics, the local League will devote a part of each program in the coming months to "Know Your Town."

The history, population, health, homes and living cost, educational facilities, recreation and social hygiene, care of the dependent and delinquent, streets, transportation, court and juries and local government are among the subjects that have been assigned to different members for presentation at some one of the meetings. Where the subject is not one immediately applicable to this locality, it will be extended to include adjacent sections and the county.

At the meeting on Monday, January 14th, to be held in the Y. M. C. A. at 2:45 P. M., the History and Population of Narberth will be given by Mrs. Robert Wood. Health will be presented by Mrs. Romaine Hoffman.

A few points about your tax and election laws will be given. There will also be amendments presented to the present By-Laws. A few minutes will be given to a parliamentary drill which will be conducted by Mrs. E. C. Batchelor.

These meetings are always open to any one interested to come and a ready welcome awaits any newcomer.

To Speak on Immigration

A free public meeting is being held in the new auditorium of the Bryn Mawr Public School, corner Old Lancaster Road and Bryn Mawr avenue, on Monday, January 14th, at 8:15 P. M.

Mr. W. W. Husband, United States Commissioner General of Immigration, of Washington, D. C., is the speaker.

This meeting is free and open to any one. The local League is endeavoring to provide a sufficient number of cars to leave Narberth station at 7:45 P. M. to accommodate any one wishing to go.

Those desiring to go kindly phone the chairman, Mrs. C. P. Fowler, Narberth 1638-M.

It would require much space to enumerate the accomplishments of the Scouts during the past few years, but Mr. Patten leaves them with the feeling that much has been accomplished, and with pride in his boys, who always respected and worked with the Scoutmaster in their various undertakings.

Your Opportunity

This is NOT the popular time to buy a suburban home.

Therefore it is the BEST TIME for the prospective buyer to look around. Now is your opportunity to receive not only the very best service, but also to choose from the most complete list of homes.

Remember: Demand has the same influence on real estate prices as it does on other commodities. This Spring promises to be one of unusual activity in suburban real estate.

The wise buyer will get in touch with us now, and avoid the competition of the increased demand that will come with the Spring.

A PLEASANT HABIT

COMING to our bank every week to make a Christmas Club deposit soon gets to be a pleasant habit. The satisfaction of getting a little farther ahead all the time is something that must be known to be appreciated.

Then, too, from our side of the window, we make many good friends from new Club Members. We like to know them all.

We take great interest in our Christmas Club because it has a strong appeal to everybody.

We all like to have money for the Holidays, and if we are wise we save some over with which to start the New Year.

The Club plan is very easy. Just make the first weekly payment. This enrolls you without any further obligation. Keep up the payments promptly, and next December we will hand you back some real money, which we are sure you will find useful.

Get the members of your family or a party of friends to join at the same time. If necessary, one of you can collect and make the deposits for all.

We have a number of modern services for our depositors and friends, and will be glad to explain these at any time. One of them is the

held this evening to consider your resignation as Scoutmaster, which you tendered on January 2nd, 1924, it has been decided to accept it, effective at the close of the regular meeting of the Boy Scouts January 15th, 1924.

The committee has long been aware of the fact that this work has taken considerable time from the other public duties and private interests which make demands upon you.

The committee in taking this action wish to extend to you their warm appreciation of your work with the boys. The high standing of the Narberth Troop bears witness to your untiring efforts and the sacrifice of your time and money to this end.

Unquestionably you have completely fulfilled your entire obligations to the Boy Scouts.

Sincerely yours,

EFFICIENT TREATMENT

"Do you guarantee results in your nerve treatment?" asked the Caller. "You bet I do," replied the Specialist. "Why, last week a man came to me for nerve treatment and when I got through with him he tried to borrow \$500 from me."

With 1924 well under way, we are working to make the New Year another shining example of what a community tailor can accomplish.

BOOK REVIEWS

Hoyt's New Encyclopedia of Practical Quotations, revised and enlarged by Kate Louise Roberts, is now to be found on the Library shelves. It is a rich treasury of 21,000 of the choicest of usable quotations ancient and modern, classic and popular. This revision has 4,500 more quotations than the earlier edition, and hundreds of the old ones have been replaced by those newer and more valuable. Here is a big source of helpful information.

"Auction Bridge of 1924," by Milton Work. The cover of this book says that it is "for beginners," "for moderate players," "for experts." If you are just learning, drop in at the Library and look through it; if you are an expert read it to see if you and Mr. Work agree; and if you should have a friend whose playing you think needs improving, get it into his hands somehow. It is 100% authoritative and absolutely up-to-date.

There are four books of fiction to be reviewed this week. The first mention will be of "The Able McLaughlins," by Margaret Wilson. This book won \$2,000 in the Harper prize novel contest, and was chosen from among 750 competitors.

The story is woven about the McLaughlin family, who were leaders in a pioneer community in Iowa, and deals chiefly with "Wally," the oldest of the ten McLaughlin children.

"Far to Seek" is another of Maud Diver's interesting books. The background of the story is India and England, for as Mrs. Diver's readers know, most of her plots deal with life in India. The plot centers around Roy Sinclair, the son of an English artist, and an Indian Princess. His life became one long struggle between the conflicting traits he had inherited from his so strangely different parents, and the story finally shows how often we can find what we desire very near at home, without going so "far to seek."

"The Puppet Master," by Robert Nathan. This book is a fantasy. The story of some dolls, made of burlap, wax and glue, and pulled into life by strings. The marriage of Annabelle Lee, the rag doll, and Mr. Aristotle, the puppet who played Jonah and the Whale so well, is indeed fantastic but very suggestive of human realities.

Annabelle's one eye is only a black shoe button, but tears flow just as easily and express just as much sorrow. And poor Mr. Aristotle, you will sympathize with him in his tragic end and wish he had not treated his wife so badly. If Mr. Aristotle had been allowed to hang on his nail on the wall, with all the other puppets, life would have passed him by without many knocks, but in his attempt to share in life's joys, he found many sorrows thrown in.

"A Week," by Iury Libedinsky, translated by Arthur Ransome. There has been a great deal printed in newspapers and magazines of Russia and her unsettled condition, and people have wondered just how much was true and much false, due to the writers' misunderstanding of the Russian character. But here is a book, written by an unknown author, himself one of the Russian people, giving a very vivid description of the doubts, sufferings and struggles of that nation, in its efforts to arrive at the truest and best government for their country. The language is simple, but the pictures painted by the words cannot help but fill one with pity as well as horror, that people must go through so much to reach their desired goal.

OCC BASKETBALL

The OCC basketball team of the Presbyterian Church lost a close game to the Ardmore K. of C. passers last Monday by a score of 20-21. The K. of C. won out in the last few minutes of the game.

The line-up was:
K. of C. Narberth
Murray Center Wilson
Whelan Forward Thompson
Quinn Forward McLaughlin
McDonagh Guard John McNiven
Connors Guard James McNiven
This Thursday the team played the Merion T. and T. team, and next Thursday will battle the nifty Ridley Park M. E. outfit. The public is invited to attend.

SLIGHT FIRE

A defective fuse in the home of Mr. Robert H. Durbin, of 231 North Narberth Avenue, caused a fire Tuesday night which did damage to the extent of \$25. The company was called out at 11 P. M.

Quick action by the company prevented the flames, which had reached a partition, from spreading. According to one of the Philadelphia papers, John Miller missed the party because he stuck his foot in a Mason Jar as he dressed to join the company.

LOWER MERION HIGH SCHOOL

Weather Closes School

School reopened for the second half last Wednesday after a nine-day recess for the Christmas holidays. School activities were slow in getting under way, and the cold weather, which caused the calling off of assembly exercises on Thursday, did not tend to speed things up any.

The cold snap which struck this section of the country over the week-end also caused the closing of school on Monday of this week. The school heating system was unable to compete with the 10 above weather, and as a result school authorities declared a holiday because the class rooms could not be properly heated.

L. M. H. S. Team Beaten Twice

The Varsity basketball team opened its 1924 season with two defeats. The first reversal came at the hands of Jenkintown High, which was played last Friday evening; the second was at the hands of Media High, which was played Tuesday afternoon of this week. Both games were contested away from home.

Jenkintown smothered L. M. H. S. 21-3, but the Media game was lost only by the margin of one lone field goal, the final score being 16-14. This last defeat was especially heart-breaking, because the Forstburg team was reversed after finishing the first half of the game on the big end of a 13-5 count. The loss of the Media game was also keenly felt because it was the first of the regular suburban league contests.

Coach Forstburg experimented considerably with the line-up in the Jenkintown game. The results were apparent, for in the Media game a great improvement in the playing of the Maroon and White five was noted.

In the Media games Hutchinson and Gillilan were started at forward, Savill at center, and Captain Bevan and Paul Seull at guards. From the results obtained it seems that this will be the regular varsity line-up for the remainder of the season. Only one substitution, Foote for Seull, was made in the Media fray, and this was made in the last few minutes of the game.

In the Jenkintown game Bevan and Gillilan were started at the forward berth; Savill was placed at center, and Foote and Hutchinson were put in at the two guard positions. Changes in this combination were made every few minutes, however, and by the end of the game every one of the fourteen men of the varsity squad who had gone to Jenkintown had seen action.

No alibi for the Jenkintown disaster is offered by the passers, but in the Media fracas the players declare that mighty poor officiating on the part of the referee played not a little part in the final result. A Central Board man who witnessed the contest informed Coach Forstburg that the officiating was of such a poor order that Lower Merion would be perfectly justified in protesting the game should it wish to do so. The coach declined to do so, however.

Next Games

Upper Darby High, which has been hanging up an enviable record in a large number of pre-league games, will be Lower Merion's opponent in the game which will be played in the gymnasium at Ardmore this afternoon.

Next week there will be games with Lansdowne High on Tuesday and Darby on Friday. Both contests will be played in the afternoon and both will be away.

Girls' Basketball

The girls' basketball team, which has been showing much promise in its practices, played the sextet from Radnor High at Radnor yesterday.

The sixth period English classes were busy with special work in illiteracy this week. The work will be continued during the class periods the first part of next week.

William D. Markee, a student in the Senior Class, took the competitive examination and won the appointment to West Point. The final examination will be held on March 4.

TENNIS AUXILIARY CARD PARTY

Everything is in readiness for the Card Party to be given next Friday evening, January eighteenth, in the Y. M. C. A., by the Ladies' Auxiliary of the Narberth Tennis Association. Plan now to come and bring your friends for an evening of real enjoyment.

An "unbenetone" committee is working to make this party a greater success than any they have given heretofore, which is saying a lot if the success of their previous affairs is any criterion. Prizes have been selected to please everybody and a record attendance is hoped for.

Tickets for this affair have been mailed to all members. Additional tickets may be purchased at the door or from Mrs. H. C. Fenn, Narberth 2226-J. This affair is open to the public, so be sure that YOU are not one of those unfortunates who will only hear about the "good time had by all."

JUNIOR SOCIETY AFFAIRS

The past week saw a number of birthday parties in honor of members of the younger generation. Three of these were on the South Side.

Last Friday evening, a party in honor of his ninth birthday was given by Douglas Stonewall Livingston, son of Mrs. William Livingston, of 108 Chestnut Avenue. Mr. and Mrs. R. D. Thomas, of Woodside Avenue, assisted in the task of amusing the youngsters. Those present were Jacques Newell, Hugh Speed, Byron Edgerton, Jimmy England, Andrew Burns, Ned Bartlett, Billy Hensley, Ed Pittipodi, Bud Hopkins, David and Sandy Thomas, Barney Mellor and Douglas Livingston.

The second of these affairs came Thursday afternoon, when the third birthday of Charles Lott Vigners, 3rd, son of Mr. and Mrs. Charles L. Vigners, Jr., of Woodside Avenue, was duly celebrated. An attractive room, and an abundance of toys insured a good time. Those present were Miriam Pulch, Harry Cafferty, Jr., Betty and Mary Ella Becker and Charles Vigners of Narberth; Florence Alexander, Mary and Dorothy Walsh and Buster McGregor, of Philadelphia; Gladys and Thomas Graham, of Norwood, and Charles Oldfield, of Ocean City.

On the evening of the same day David Thomas, son of Mr. and Mrs. Royal D. Thomas, of Woodside Avenue, was the host to a number of his friends, on the occasion of his 9th birthday. Those present included Catherine Jane Miller, Marjory and Arthur Edrop, Howard, John and Richard Whitney, Fred, Jack and Anne Van Auker, Alice Maguire, Robert Hutcheson, Ralph Hubbard, Mary and Stuart McIntosh, Betsy Fair, Arthur Wright, Richard Wentz, Carrie Louise and Virginia Douglass, Edith Bartlett, Douglas Livingston, George
